- 2-Chairman's introduction and report
- 3-Treasurer's report
- 4-Election of officials - see below
- 5-Any other business

End of formal business

Presentations

- Review of 2016 Field Meetings
- Review of 2016 Wild Flower Week
- Review of 2017 from the VC recorder Robin Walls

Break for tea, coffee and refreshments and view exhibits and quiz

Main talk

Guest speaker, Peter Stroh, Scientific Officer for the BSBI, will give a talk on the forthcoming *BSBI 2020 Atlas*

Committee structure

- 1-Chairman
- 2-Treasurer
- 3-Secretary
- 4-Members having an interest in botany plus others being seconded from various bodies i.e. DWT, DNH&AS, DERC, NE, NT.

The formal business of the AGM and presentations regarding the activities of the Dorset Flora Group will be followed by a break when coffee, tea and cakes/biscuits (£2 donation) will be available. This will also enable people to look at the exhibitions around the hall or just have a chat with friends and colleagues. Again this year we are grateful to Peter and Margaret Cramb for organising the plant quiz. After the break Peter Stroh, Scientific Officer for the BSBI and coordinator for the BSBI Atlas 2020, will give a talk on progress so far with the atlas and the way it is already providing important information regarding changes in our flora.
